On behalf of the Idaho InfraGard (FBI), I would like to thank Pabrai for presenting at our conference. Pabrai is the kind of speaker you want to bring to executives and staff. He says it in a simple, no nonsense way, in a manner that everyone can understand.

Rachel Zahn | *President* | InfraGard (FBI) | Idaho Alliance

You delivered a fantastic presentation and we all felt your passion for cyber security.

James E Lamadrid | *Supervisory Special Agent*
Federal Bureau of Investigation (FBI) | Cyber Task Force

Thank you Pabrai. Your enthusiasm and relevance for the Information Security material you presented at our combined InfraGard (FBI) conference in Idaho Falls was very well received and pertinent to both our chapter as an organization and the constituents in attendance.

As a government employee, I appreciated the simplified insight of highlighting the importance of compliance and funding compared to information security success beyond qualitative metrics. I heard many times over that your specific information with measurable results made your material directly relevant to individuals, businesses and organizations.

Thanks again and I hope you are able to join us again in the future.
